Jessica- the grounds are open to the public Monday through Friday from 9 am to 5 pm unless we have an event scheduled or if it's a holiday.

As long as you come during the open hours of M- F from 9 am to 5 pm and we do not have an event scheduled or its a holiday then you are more than welcome to use the grounds for photography. :) If there is a specific date in mind that you are interested in please let me know and I will be happy to check our calendar to make sure we do not have an event scheduled.
