---

Hi All,

I hope this finds you well! Thank you for the response to this.

While I was taken aback somewhat to see an estimate of over \$1,200 for the limited time period of public records that I'm seeking, it looks like this issue is easily remedied.

I do not seek any physical copies of the documents. I ask that they be made available electronically. This should take care of the bulk of the costs and probably a chunk of the time that you quoted. I am happy to provide a link to a dropbox site or could drop off or send a USB drive, whatever is easier.

I hope this can be remedied this week. Please let me know if we can move forward with electronic copies or access to the documents rather than physical copies.

Please don't hesitate to call -- (703) 795-3824 (cell) anytime.

Thanks much!
