Dear Governor Haley:

Hi! My name is Erin Peshtani, and I'm nine years old. I am in fourth grade at Manor Hill Elementary School. I live in Lombard, IL.

I am writing this letter because in social studies we are beginning to start our state project reports. I chose your state because I noticed that your state is near the ocean and I enjoy going to the beach and swimming in the ocean during the summer.

I would really like for your state to stand out in my report so I would be honored if you would be able to please send some photos, brochures or any kind of information that would help me.

With this letter I am sending a very special friend named Flat Stanley. If you would be able to take some time and show Flat Stanley around your state I would greatly appreciate it. Just remember he doesn't like to go outside when it's snowing or raining. I will be waiting patiently for Flat Stanley's arrival back at home so he can report what he saw in South Carolina.

Thank you for taking time out of your day and reading my letter and helping me make your state shine in my report!

Sincerely,

Erin Peshtani
