---

I have attached PDF files of the letterhead, business cards, envelope and card for you to review. I did two different versions of the card with the wording at the bottom centered and left margin.

The printer will be coming this afternoon to look at the paper samples that we want to use. Do you have any idea how many of each you would like to order? Of course, business cards do come 500 to a box and if he uses them a lot we can order a large quantity.

Please let me know if you have any changes or questions.

Thanks!

John E. Roberts
