Dear Governor Nikki Haley,

January 20, 2015 was one of my proudest days in my life. I received the highest rank in Boy Scouts of America, Eagle, as well as celebrating my 15th birthday. Receiving Eagle has been a goal mine since I was young. I was hoping you could please send me a commendation from your office which could be read at my Court of Honor. The event will be held on May 30, 2015 at 2:00 pm at the Langhorne Presbyterian Church, 125 East Gillam Avenue, Langhorne Pa. 19047.

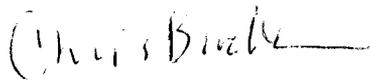

My Eagle project was working with State Representative Frank Farry who is also a volunteer fire fighter with the Langhorne Fire Department. I went to Mr. Farry with my idea of putting color-coded bands on the fire hydrants of Langhorne and Langhorne Manor Boroughs. This involved working with the fire company and the water department to identify and test the hydrants, repair the broken ones, rate them and then actually to band them. The bands are reflective and their colors inform the fire fighters of the water pressure/flow rate of each hydrant when they are preparing to fight a fire. This project has made our community a safer place to live if there should be a fire.

I am now an Eagle Scout with Troop 19 of Playwicki District of Washington Crossing Council (Bucks County Council), sponsored by Langhorne Presbyterian Church. I have served Troop 19 as a patrol leader, librarian and other roles. In addition, I was also a Cub Scout at Pack 19 at the same location.

In addition to scouting, I am a 9th grade student at the Pennsylvania Cyber Charter School. I attend the North and Southampton Reformed Church. I enjoy dancing and singing and have been lucky enough to perform on several important stages.

Thank you for your attention to this letter.

Sincerely
