To Pee or Not to Pee

the more this one goes around the more people get added to the list of the ones that need to take the "test". Suits me, should help if it happens!

**TO PEE OR NOT
TO PEE?**

I have a job.

I work, they pay me.

I pay my taxes & the
government
Distributes my taxes as it
sees fit.

In order to get that
paycheck, in my case,
I am required to pass a
random urine test
(with which I have no
problem).

What I do have a problem
with is the distribution of
my taxes
To people who don't have
to pass a urine test.

So, here is my question:
Shouldn't one have to
pass a urine test to get a
welfare check
Because I have to pass
one to earn it for them?

Please understand, I have
no problem with helping
people get back on their
feet.

I do, on the other hand,
have a problem with
helping someone sitting
on their BUTT----doing
drugs while I work..

Can you imagine how
much money each state
would save
If people had to pass a
urine test to get a public
assistance check?

I guess we could call the
program "URINE OR
YOU'RE OUT"!

Pass this along if you
agree or simply delete if
you don't.

Hope you all will pass it
along, though.
Something has to change
in this country - AND
SOON!

P.S. Just a thought, all
politicians should have to
pass a urine test too!....
They should also have to
pass an intelligence test,
a common sense test and
an understanding the
constitution test, as well!!

!

Remember
November
is coming
