Hello Lieutenant Governor Bryant. We met last week at the event that Palmetto Family hosted at the Blue Marlin. I gave you one of my business cards and shared with you about the Character Under Construction program we are starting here in South Carolina. This program is designed to teach character, morals, and ethics to our next generation in our public school systems. You had mentioned the possibility of a recommendation letter from your office recommending our program. I wanted to follow up and ask if you have had a chance to visit our website [www.cuc-classes.org](http://www.cuc-classes.org) ? If possible I would appreciate the opportunity to meet with you and discuss more in detail about the program, the amazing results we are seeing from this program, and answer any questions you may have!. Also I can send you references from some of the schools in the other states where the CUC program has been implemented for several years now. We would be honored and it would be a tremendous help to have your recommendation. Thank you for your time and thank you for serving as our Lieutenant Governor!
