Dear Tony,

Two weeks ago, we wrote to update you about the FY 2013 funding levels. We now expect to issue grants for all programs, except NSIP, by the end of this week. We expect to issue NSIP awards during the week of June 3, 2013.

Please watch for your state's Notices of Awards, and contact me if you have any questions about your final awards.

Thank you, and please let me know if you have any questions.

Costas
