

RE:
Jazmin Saldana

Dear Governor Haley

I am writing you on behalf of My Granddaughter Jazmin Saldana, She was taken by Oconee County Social Services Oct. 20th 2016. As soon as I heard She was in their Custody, My Husband came and got me and we went straight there!

She had not been placed, Cause they let her go to School to go on a field trip to Table Rock.

The Social Services would not even speak to us, My Daughter was in the hospital, and had been there Oct 11th to Oct 20th. And had been there from the 6th to the 11th and had to return on the 11th. She signed herself out on the 20th because I called her and told her NO body would talk to us.

We had have problems with her Boyfriend, so my Daughter took Jazmin and Moved in with her boy friend!

They did go get Jazmin from School and let us see her, She asked her Grandpa did he catch her prayer? When he asked her what prayer? She said When I passed

your house, I asked God to Watch over you and make you feel better!

My Husband and daughter went to see her again on a set visit, And She asked my Daughter Mama did you come to get me? my Daughter had to say No! She informed them all that She had been placed in a Group Home, She never leaves Cause they do Home School. And She Says I pray at night and I Cry for God to let you or My Grandpa to Come get me. And Nobody is there to Hug Me!

My Granddaughter is only eleven years old, But God and faith is all She has!

I Know you have a lot on your plate with Matthew, But this family is drowning in Sorrow. And my Grandbaby feeling like She is in prison, IS it not the Governor you turn to for a pardon?

My Daughter relizes She made bad, and unhealthy Choices for her Daughter, So Much that She Says She is willing to sign over her Rights To Her Daddy and Me. Please Help God answer a little girls prayer! And When She Cries we are there to Hug her!

Thank you
Marsha Saldana
