Hi Aaron,

I left you a VM, but wanted to follow up with an email. I'm not sure who the right person to ask is, but can we count on some kind of participation from Ag in the event below?

Thanks!

Mr. Randolph,

I'm not sure if you're the right person to contact, but I wanted to reach out to you and ask if the USDA would be willing to participate in the Team South Carolina Day events that our office will be hosting in the next few weeks. We coordinated these events last year for flood relief and are in the process of planning three events in the wake of damage and flooding from Hurricane Matthew; FEMA and a host of state agencies and voluntary organizations will be at the event. More details will follow, but I wanted to notify you of the events as soon as possible.
