For the NR proviso, I think we'd like to use this order: 1, 3, 6, 7, 2, 5 (swap a and b), 8, then 4. Also, for DNR, it's "State River Basin Study."

For 1a, how about this... "Repayment of the Loan Authorized by the Budget and Control Board on December 12, 2012"

On Sea Grant and Arts, the Governor has said in the past that she didn't support restructuring by proviso, so we were going to produce bill drafts this week to effectuate those transfers in permanent law, and have those introduced. Thanks.

Christian,

Attached are two documents. The first is a draft of the Non-recurring revenue proviso and the second contains two new proviso moving the duties, functions, responsibilities, and assets of Sea Grant and the Arts Commission.

I think that is everything I have for now until I hear from you.
