**Re:** SCMA workforce development program videos

**Attendees:** Tim, Zach, Chaney, Rob

**Note from Marisa:**

SCMA has been talking to N about their workforce development program. They met with Zach a few weeks ago. Lewis Gossett spoke to N about appearing in a video that would be targeted to high school students, their parents and counselors about the jobs available in manufacturing. N suggested the companies/locations to shoot the video. They need some time in Aiken to film with N at Bridgestone, Charleston at Boeing and Greer at BMW. We need to do these in very late July and early August. Can we start locking down some dates? I'd say 1.5 hours at most at each location for N. That includes hair and makeup.
