

TRIDENT TECHNICAL COLLEGE

Office of the President

Berkeley Campus | Main Campus | Mount Pleasant Campus | Palmer Campus

December 13, 2016

The Honorable Nikki R. Haley  
Post Office Box 12267  
Columbia, SC 29211

Re: Trident Technical College Enterprise Campus Authority Annual Report

Dear Governor Haley:

In accordance with South Carolina Code of Laws Section 59-53-490, enclosed is the FY 15-16 Annual Report of the Trident Technical College Enterprise Campus Authority. Thank you for your support of Trident Technical College. Please contact me at (843) 574-6649 or [Helen.Sughrue@tridenttech.edu](mailto:Helen.Sughrue@tridenttech.edu) if you have any questions.

Sincerely,

Helen Sughrue  
Executive Assistant  
Office of the President

Enclosure

TRIDENT TECHNICAL COLLEGE

**TRIDENT TECHNICAL COLLEGE ENTERPRISE CAMPUS AUTHORITY  
ANNUAL REPORT for FY 15-16**

The enabling legislation to establish the Trident Technical College Enterprise Campus Authority (TTC ECA) was signed by Governor Mark Sanford on June 12, 2006, SC Code Section 59-53-460 et seq.

The purpose of the TTC ECA is to enhance the state's economic development efforts through the location and development of high-technology businesses and industries.

A board consisting of all of the members of the TTC Area Commission governs the Trident Technical College Enterprise Campus Authority. However, the TTC ECA is a separate and distinct instrumentality of the State and provides the management, development, and operation of the enterprise campus. The TTC ECA does not have taxing power and is not required to pay taxes or assessments upon property or upon its activities and operations or income from these activities or operations.

The TTC ECA is exempt from the State Procurement Code but must require competitive solicitations. The TTC ECA procurement policy was adopted by the TTC ECA Board on August 15, 2006, and it was approved by the Budget and Control Board on September 19, 2006. The TTC ECA Board also adopted Bylaws on October 5, 2006. The procurement policy requires that procurement activities be audited and that the policy be re-approved by the Budget and Control Board every five years. The Budget and Control Board Procurement Services Division of Audit & Certification audited the TTC ECA procurement activities in December, 2010. The TTC ECA Board reaffirmed the procurement policy on March 15, 2011, and the Budget and Control Board re-approved the procurement policy on May 2, 2011.

In FY 15-16 the TTC ECA held no meetings. The TTC ECA had no expenses for FY 15-16.

Respectfully submitted,

Mary Thornley, Ed.D.  
President
