Received a tip from Alexandria PD (Louisiana) Cpl. April that escapee was in Louisiana and attempted to call his uncle using phone number [1-225-284-8123](tel:1-225-284-8123). Cpl. Painter said Davis made the call [at 10:12 pm](#) last night. Agent Golden received this information and had EAC send another "APB" out to Louisiana. An Alexandria Police Unit was patrolling through one of the local hotels and spotted the vehicle that was described in our "Bolo". Inmate Catrell Davis and Kayla McCoy were in the vehicle when spotted. A vehicle pursuit was initiated. After a brief chase inmate Davis wrecked the vehicle. Inmate Davis was the driver and was ejected out of the vehicle. Kayla sustained minor injuries as result of the wreck and both were transported to the local hospital. Kayla has been released from the hospital and transported to the local jail. A hold has been placed on her and she is awaiting an extradition hearing. Inmate Davis is still at the local hospital due to his injuries and will have to have minor surgery. An

Alexandria Police Unit is with inmate Davis. A hold has been placed on him as well.
