Palmetto Dunes Foreclosures?

By Kim Davis

[PalmettoDunesOwners.com](#)

Rarely do we have foreclosures in Palmetto Dunes and I can count on one hand how many auctions we have had on a Palmetto Dunes property over the 30+ years that I have been here. We have a strong market and our community is very, very desirable.

Which makes it very surprising that on **March 8, 2013** an **ABSOLUTE (no reserve) auction is going to be held on the property located at 120 South Shore Drive, 120 Townhomes of South Shore in Leamington.**

For those of you who are not familiar with **The Townhomes at Southshore**, these spectacular villas were built in the last ten years in the private Leamington community (no rentals allowed). The Townhomes at Southshore are literally across the street from the Atlantic Ocean and have private, covered parking, private gated pool and spectacular floor plans.

CONDE NAST READERS RANK HILTON HEAD ISLAND AMONG "TOP 10 BEST U.S. ISLANDS"

If you have been to Hilton Head Island this probably comes as no surprise but the island was recently ranked in Conde Nast Travelers 25th annual Readers' Choice Awards.

It will probably also come as no surprise that it was named as one of the top 10 family beaches in the country. Hilton Head Island has always been one of the best family destinations for a beach vacation or getaway.

For an island that only measures 5 miles by 12 miles, you won't find a more fun-filled and action packed location for the whole family.

Eat at one or more of its 250+ restaurants. Golf on one or more of its 24 golf courses. Ride along over 50 miles of bike paths in the ecologically friendly, natural beauty of the island. And that's just the land adventures.

Plenty more adventures await you in the water, from the family friendly beaches to the fishing to all kinds of nature tours whether by boat or kayak. For great family time, nothing beats our Island. The Conde Nast Readers know what they are talking about!
