

To Whom it MAY Concern:

My name is Larry Brian Snipes, I am currently incarcerated in the Aiken County Detention Center. I am writing this letter in regards to the 2nd District Judicial System, Public Defenders Office, Michael Routzong.

My concern is that Michael Routzong has been very disorganized in regards to my charges, both this year on new charges, and on previous charges at the end of last year. I gave him my victims information in order to get these charges dropped. The victim does not want any charges brought against me, and has signed a statement stating this for the Solicitor and the Sheriff's Dept. Mr. Routzong still is insistent that I take a plea with possible jail or prison time. Mr. Routzong has yet to bring my Motion of Discovery for last years charges or this years charges. If Mr. Routzong or this office represent me in these charges I don't feel my best interest will be served.

Last April, I was attempting to return a "Vehicle" that was reported by the victim along with the victims property. While returning this vehicle, I was pulled over by a Aiken County Sheriff's Deputy. I informed the Deputy of the situation and also provided him with the victims information, in order to verify my involvement. He was not interested, and arrested me anyway. I was arrested and incarcerated by the Sheriff's Office, and this is where I received a letter stating Degraunt Degiblane was my attorney. Michael Routzong shows up and explains he is my attorney and has my motion and a blank disc that he says is from the traffic stop. He obviously had not looked at either of these items. I informed him of the victims names and info, and also of their desire for charges to be dropped. His response was that I have a record and the Solicitor would push for prison time anyway.

I bonded In Sept on these charges and havent heard anything else about these charges. I'm now incarcerated on other charges in Jan, 2015. I got a letter from Michael Routzong stating he would file for my motion for the old charges, but NOTHING about the new charges. I already recieved my motion from the clerk of court for these charges.

Mr. Routzong seems disorganized and I dont feel he has my best interest in mind. He continues to mention Prison for these charges, and I clearly showed him that the victim did NOT want this case pursued.

Please let me know what to do concerning this issue, Your advice, or guidance is needed and appreciated.

Sincerely

Larry Brian Sargent
