How about this as an email from the LG to the non-LGOA participants?

Dear , thank you so much for participating in the LGOA webinar. We hope that it was informative, and it will be posted on the LGOA website for future reference. We hope to offer future presentations, and we'd appreciate your feedback and suggestions. Please let us know what other topics or information might be helpful, and we'll try to get them scheduled soon. Thank you again

Hank, if you put it in google drive and send the google drive file to Danny he can handle it from there. Or if you get it to me on a flashdrive we can make it happen.

The Lieutenant Governor does have a youtube channel, but whether or not to put it on there is up to Danny.

Good morning.

I have attached a summary of Monday's webinar. Additionally, we've also downloaded the video... it is too large to send by e-mail, though. Does the LG have a YouTube account that you / he would like to host the video on? If so, I can transfer it to a flash drive to upload. The video captures the entire screen that was seen in the room (video, presentation area, chat, attendees, etc.).

Thanks,
