Dear Mr. Levi Giles:

Thank you for your correspondence to let me know you received my letter and request for help to get my medical mess cleared up and hopefully get my left knee repaired. I hope my letter was informative to the situation I had to live with for the past two years.

At the end of my letter I asked to correspond in writing as there would be no misunderstanding in communication, I hope you understand. My home phone number is (803)-954-0336 and if you need Therapist Ashley Darsey number (803) 687-7762 for verification to the events that took place in the letters about my left knee.

Because I substitute teach in Lexington 1st school district, if I'm lucky to get a day in I get home about 4:30 PM. After December 19th is winter break to January 7, 2015. I should be home most of the day during this time frame.

Respectfully

Richard F. Smith
