The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, South Carolina 29201

Dear Governor Haley:

I am writing to concerning the case of animal cruelty involving a starved, frozen, and chained dog. You are no doubt aware of this story by now and have probably received a lot of letters asking for the maximum punishment of the two people involved. Please add my name to the list of people who want justice for this poor innocent animal. The "people" involved in this deserve much more than the max punishment for this heinous crime. Imagine being chained outside in freezing weather with no food or water while two losers sit inside a nice warm house with plenty of food and water never giving a thought to you sitting outside dying. They are scum and deserve the worst you can give them.

I am begging you to please make sure that you do everything in your power to set an example that this sort of thing will not be tolerated. You are in a position to show people that cruelty to animals should be not only illegal but also immoral, and no one should ever be able to walk free after committing a crime so cruel and disgusting. To think that anyone could sit back and watch this happen is horrifying. Please, please, please make sure this poor animal gets some sort of justice. It may be too late for him, but at least we could rest assured knowing that the criminals will be punished.

Thank you for your consideration and for helping animals.

Sincerely,
