**Subject:** Resources for Amended Returns and New Veterans Questions

---

### **Resources for Amended Returns**

The Benefit Bank users will now see a link for Amended Returns under the tax section on the client portal page. Our service cannot help a client fill out an amended return, but we give taxpayers information about filing amended federal and state returns and provide blank forms a taxpayer needs to file these returns. TBB also provides general information about amending current and prior years' tax returns and links to more information on the IRS and state revenue departments' websites.

### **New Veterans Questions**

You will notice that there are new questions in TBB asking each client, and each of the client's household members, if he/she is a current member of the military, a veteran, or the surviving spouse or dependent child of a veteran. These questions will provide us with useful information about the populations we are serving, and may help us identify programs that will be useful for our clients.
