Julie,

Yes, we should have a conference call sometime before the end of the year. I realize that is difficult timing, but I wonder if you and the other members of the Committee have some availability between December 15 and Christmas?

PRM's work is scheduled to be completed January 31. They are on track and should make that deadline (if the work goes beyond that, it should be by no more than a few weeks). We will provide an update to the Board at the January meeting.

Best regards,

Neil

Thanks Neil; this timeline looks good to me. I had a few questions, which are: 1) I'm assuming you'll be scheduling a conference call then some time after December 15th to go over the priorities, correct? and 2) when will we see PRM's recommendations?

Lucinda and Marcia, did you have any thoughts or questions?
