Is it ok if I regret to this or do you want to? Not sure if you have a relationship or if this is random.

Subject: Invitation for 'Jewels of Gujarat' Honouring Ceremony

Respected Nikki Mam,

Greetings from Maneesh Media!

We are really pleased to a proud moment with you that we at Maneesh Media have yet another occasion to celebrate. To renew our long standing association, we would like to invite you to our upcoming event, on January 6, 2015. On this day we are hosting a grand gala event which will include the release of the updated version of its silver jubilee publication –“Jewels of Gujarat - Leading Global Gujarati Personalities” & honouring ceremony of the featured personalities. As the release date coincides with the centenary of Mahatma Gandhi’s return to India from Africa in January 1915. So this updated version salutes our Father of the nation and reinforces the fact that Gandhiji has always been relevant.

Besides remembering the Mahatma this book is an ode to Gujarati Diaspora who has enriched the state and world with their immense contributions and in this book we have compiled 100 eminent personalities from 14 different countries across the globe.

The first version of this book was unveiled at the reception held in honour of Hon. Prime Minister Shri Narendra Modi in New York on September 28, after his historic speech at the Madison Square Garden.

This is an exclusive event where the entries will be only through invitation and as you are privileged personalities who have adorned our publications we would like you to be a part of this event and make it memorable.

Looking forward to your reply. Request for RSVP by Jan 2, 2015.

Warm Regards

Siddharth
