Dear Governor Haley,

Please see the email below to Spartanburg County Council that expresses additional concerns from our citizens about the South Carolina refugee resettlement program. It is County Council's understanding that you have the sole authority over the State's participation in the federal refugee resettlement program. As I shared in my phone message to you, County Council is concerned about the safety of our citizens. It would be helpful to me to speak with you on behalf of County Council to have a better understanding of the current status of the State's program.

Your assistance with providing a response to this citizen's concerns is greatly appreciated.

Sincerely,

Jeffrey A. Horton, Chairman
Spartanburg County Council

Please draft and vote on a resolution to keep ALL refugees from being dumped in Spartanburg County. FBI has told American people that the refugees CAN NOT be vetted. We need to keep our country safe, starting with our counties. Please consider the danger we are all in and do your part to help keep our country safe.
