South Carolina State Parks

at 20:00:02 on 11/11/2020 UTC

Looking to do a little something different for the holidays this year? Spend them in a SC State Park cabin! Our cabins have fully-equipped kitchens! Bring your decorations! Stay in a Hickory Knob lodge room & let us cook for you in the restaurant! And did we mention the beautiful scenery? Check out this story and see how one family enjoyed our park lodging: <https://bit.ly/park-holidays>

Barbara Miles Cawley Masaki This looks like Edisto Live Oak State Park.

Jayne Williams We need to give this SP a chance! We always rent a house, but love Edisto. We always cabin in the Upstate. Oconee State Park in September and Table Rock in October this year. This is Cabin 4 at Oconee. Right on the lake.

at 21:16:29 on 11/11/2020 UTC

Jayne Williams Table Rock Cabin 3. Awesome!! Next year will be year 4!!

at 21:18:01 on 11/11/2020 UTC

Angela Tennant Adams So are the parks going to do black Friday sales this year or no?

at 21:22:34 on 11/11/2020 UTC

Judi S. Nesbit Jayne Williams I lived at Table Rock. My hubby was a ranger and I cleaned cabins

at 21:37:24 on 11/11/2020 UTC

Wendy Glace Doss Would have loved to use the cabins but no dogs allowed 😊. Put a 10 pound weight limit and at least allow smaller ones.

at 22:18:35 on 11/11/2020 UTC

Samona Jilton McMillan I need cabins with a minimum of a queen bed - preferably king -

Jayne Williams Judi S. Nesbit wonderful!! We loved Oconee, but Cabin 3 at Table Rock is our favorite! It's very clean, with open floor plan, and I always leave it as good or even better than I find it!!

Mary Guidone We had the most wonderful Christmas at a cabin at Cheraw - it was absolutely perfect, comfortable, and so fun!

at 22:35:12 on 11/11/2020 UTC

Ethel Waldron Which parks have this.

at 22:38:30 on 11/11/2020 UTC

Melanie Evatt Branham Wendy Glace Doss they are beginning to allow certain cabins to have pets. But you have to think about the humans that are highly allergic to animal hair. A stay in a cabin that had had a pet in it would be miserable.

at 22:54:52 on 11/11/2020 UTC

Suzanne Laferriere Andy Grant exactly!

at 23:01:22 on 11/11/2020 UTC

Cindy Penn Clemmer I have wonderful memories of Thanksgiving and Christmas holidays in cabins at Table Rock. Especially one year decorating a sweet cedar tree with Ranger Robert. There may be a picture of that in a box around here

at 23:07:53 on 11/11/2020 UTC

Jayne Williams Samona Jilton McMillan check on the website. They always specify size of bed(s) in each cabin. We get 2 queens at Table Rock, cabin 3.

at 1:10:16 on 11/12/2020 UTC

Jayne Williams Wendy Glace Doss Devils Fork and Oconee are offering pet friendly cabins after 1st of year. Maybe other parks as well.

at 1:11:37 on 11/12/2020 UTC

Shannon Denaux Can the restaurant work around dietary restrictions?

at 22:49:57 on 11/12/2020 UTC

Jenn Litty I was just told that all facilities are "day use only" right now. I can't be guaranteed that I have the 10 cabins at Camp Buckhorn in April that I've already put a \$1000 deposit on, but these cabins are available??? Such arbitrary rules. 😞
