Excerpts [ emphasis added ]:

"President Trump's plan for a border wall will be sidelined and the **Gang of Eight bill** is coming back, if **Senator John McCain, R-Ariz.**, has anything to say about it."

"In an **interview** with the Arizona Republic Thursday, McCain said that he and **Senate Minority Leader Chuck Schumer, D-N.Y.**, are in agreement about bringing back the bipartisan amnesty legislation that would provide a path to citizenship for illegal immigrants."

"Basically it's what we passed last time, brought up to date with the new challenges, like opioids," McCain said.

"It's still there. We got 68 votes, I think, the last time. I don't think that's going to be any different next time."

"In 2013, McCain and Schumer, along with six other senators including **Sens. Jeff Flake, R-Ariz., Lindsey Graham, R-S.C., Marco Rubio, R-Fla.,** Dick Durbin, D-Ill., Michael Benet, D-Colo., and Robert Menendez, D-N.J., worked together **to craft a bill** that would have granted amnesty to 11.5 million illegal immigrants, cost taxpayers trillions of dollars, and **failed to reduce illegal immigration** ."

The philosophy of the **Gang of Eight bill** was "amnesty first, we'll worry about border

security later."

In Washington, D.C., "later" means "never."

The Gang of Eight amnesty bill was killed in the House of Representatives after conservative backlash

demonstrated the grassroots will not tolerate the pro-illegal-immigration, open-borders consensus of the D.C. establishment .

Yet Senator McCain remains a thorn in the side of conservatives, pleading for amnesty ...

CLL Comments: Were these "Gang of Eight" US Senators "patriots", who supported Amnesty for Illegal Aliens ?;  
or were they friends of the New World Order, and enemies of American sovereignty, and therefore enemies of the US Constitution and the Rule of Law ?

John S. McCain, III was a member of the NWO's treasonous Council on Foreign Relations, which advocates and advances the cause of One World Government, the Jesuit-Vatican New World Order of global socialist tyranny.

"We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications

whose directors have attended our meetings and respected their promises of discretion for almost forty years.

It would have been impossible for us to develop our plan for the world if we had been subjected to the lights

of publicity during those years. But, the world is now more sophisticated and prepared to march towards

a world government . The supranational sovereignty of an intellectual elite and world bankers is

surely preferable to the national auto-determination practiced in past centuries." -

David Rockefeller
