Tommy:

Thank you for your immediate follow up. You should also pass along that even though I thought that the call center/help desk had set me up correctly, I found out that they had failed to establish a Temporary Passcode. This was supposed to be sent to me via email. They did not do so which meant I could not log in. In order to obtain the Temporary Passcode I had to engage the call center/help desk again which resulted in another 15 minutes of my time.

Tommy:

Please be advised that the online sign up is not working! As a result one must call Expedia. The call center is off shore and the operators are very difficult to understand. My operator initially did not understand what I was calling about! You should also know that when you call the 1-800 number SC residents are advised to include SCDOR on the http address, but that does not work. The call center approach takes at least 15 minutes. I now await an email that hopefully is correctly set up. I do hope that you can use your influence to get the system fixed.

Thank you in advance.
