Nicole,

The Governor wanted to make sure we pass on the delegation and local legislators to the Rabons. I would prefer you provide it to them since they have been emailing/in contact with you if that is appropriate? Also do you have their address? I tried to put together what they need below, but I am not sure if they are Colleton or Beaufort based on the information that I have. I have used Colleton but I want to make sure I have the accurate information.

This is what they need:

The Governor requested we provide you information with your legislators and delegation. As mentioned, the Department of Transportation is governed by the South Carolina Transportation Commission, which is comprised of eight members, seven of whom are elected by the legislative delegations of each of the state's Transportation Districts. These Transportation Districts coincide with the state's Congressional Districts. The information on each, and the districts, can be found here: <http://www.scdot.org/inside/commission.aspx>. The Colleton County delegation information is below.
