Holly,

We will place this on the agenda for our Commission meeting on September 16th if that suits you. Any of you would have the opportunity to present to the Commission at that time. Since Butch has an unrelated matter on the agenda for 9:30 that morning, we will schedule this immediately thereafter (let me know if another time suits better). As we don't know exactly what time we will hear it, it would probably be best to be here at 9:30.

Please call or email if you have any questions.

Best regards,

Michael

Mr. Hayden,

Attached you will find a joint request from our office and USC for an advisory opinion regarding whether it is permissible for USC to provide the Office of the Governor with tickets in a suite for the upcoming football season.

Please let us know if you require additional information.
