### Governor Nikki Haley News

Many residents in rural S.C. live on the edge (Opinion)

[http://thetandd.com/news/opinion/editorial/many-residents-in-rural-s-c-live-on-the-edge/article\\_0176b2d6-6ce5-11e2-94d5-0019bb2963f4.html](http://thetandd.com/news/opinion/editorial/many-residents-in-rural-s-c-live-on-the-edge/article_0176b2d6-6ce5-11e2-94d5-0019bb2963f4.html)

**Note:** Gov. Nikki Haley's practice of heralding most new plant openings and job additions likely contributes to people feeling more stable and confident about their local economy.

It's encouraging that Haley and Republican and Democratic lawmakers are now discussing how to reform public education and provide funding equity for school districts. Hopefully, all the talking translates into action.
