Excerpts:

"Now a Special Order status for S.217 is needed so that it will actually be debated on the floor of the Senate."

"Please contact the Republican Senators in the SC Senate (<http://www.scstatehouse.gov>) and urge them to advocate among their Republican Senate colleagues for Special Order status for S.217."

By definition, there are no "exceptions" to Human (Natural) Personhood:

Personhood Report: In Law, No Exceptions to Human Personhood

Personhood Report: No Exceptions to Personhood

If there are any "EXCEPTIONS" to Personhood, then we no longer have Personhood, nor a Personhood Bill.

Personhood is Abolition

- Personhood is abolition. Here in South Carolina, we have advocated passage of State personhood legislation continuously for the last 19 years since 1998

[[History of Personhood Legislation in South Carolina \(1998 - 2016 \)](#)].

The current 2017 legislation in the SC Legislature is called the Personhood Act of South Carolina ([S .217 / H.3530](#)).

- South Carolina Personhood legislation recognizes the Creator God-given, unalienable right to life of

every human being as a "person" beginning at fertilization, in SC law.
