## 31<sup>ST</sup> ANNUAL GRANT THORNTON SOUTH CAROLINA 100<sup>TM</sup> RECOGNIZES ALLIANCE CONSULTING ENGINEERS, INC.

We are proud to announce that for the third consecutive year, Alliance Consulting Engineers, Inc. was included in the annual Grant Thornton South Carolina 100 listing of South Carolina's 100 largest privately held companies.

### SOUTH CAROLINA

### 31<sup>ST</sup> ANNUAL RANKING

"At Alliance Consulting Engineers, Inc., our primary mission is to deliver superior client service, innovation and quality," said Deepal S. Eliatamby, P.E., SCCED, President. "Being ranked on the South Carolina 100 is verification that we are achieving that goal in South Carolina and across the southeastern U.S. We are honored to be included again in 2015 and want to thank our clients, allies and dedicated staff for their loyalty and support."

Alliance Consulting Engineers, Inc. believes that commitment to our clients and their projects has been and will continue to

be essential to our growth and success. We appreciate the opportunities to demonstrate that commitment and look forward to the future in South Carolina and beyond.

Founded in 2004, Alliance Consulting Engineers, Inc. provides civil and environmental engineering services to both private and public sectors. For more information about Alliance Consulting Engineers, Inc. and the services we offer, visit us online at [www.allianceCE.com](http://www.allianceCE.com).
