Good morning! My family and I have been visiting state parks on the weekends. I am trying to complete the Ultimate Outsider Scavenger Hunt, and was wondering if there is any way to know when a Regional Chief will be at the coastal parks, or any other region. Any help would be appreciated. 😊

It is all really by chance if you happen on one of them. You may call our operations office and ask if someone there might have their schedule 803-734-0156.
