She was only doing her job. She was totally thrown under the bus by her superiors.

She is a highly professional and ethical person who has been targeted .

Punishment does not fit crime.

This vendetta is Berkeley County politics at its worst. Berkeley county is the fastest growing county in the state and has the lowest taxes in the state. This bond was desperately needed. But the "no new taxes" ever crowd got mad when it passed and this witchhunt is the result.

In my opinion, Amy's 4th and 1st amendment rights have been violated. In addition, my belief is the actions of the AG and staff appear to be unethical and malicious. She received no benefit from her efforts, and has been persecuted relentlessly by a politically motivated prosecutor(s). Their efforts are not to seek justice but are aimed at political gain. .
