All,

Attached is information to reference in the event someone asks you a question about the changes coming on October 1. The 211 call center is prepared to answer all Medicaid-related questions, so you can refer callers there when appropriate. The contact information for questions regarding the new Federal Health Insurance Marketplace is listed on both of these documents.

If you receive any calls, emails, social media messages, etc. that cannot be answered through one of these channels, please let me know as soon as possible.

Thanks,
Kim
