

To whom will consider my concern, My name is Dabed Del Jesus Sanchez. I am being held on Extradition for Financial Transaction Card Fraud. My file number is 15CR206933. My warrant number is 2014A1120200392. I got arrested for other charges on 3/26/15 and been in custody at the Wake County Public Safety Center in Raleigh, NC. On my first court appearance (3/27/15) I opposed Extradition. On my second court appearance (4/24/15) for this case, I waived and signed my Extradition. On 5/6/15, I was processed for a Governor's Warrant. I am writing because of the fact that on the arrest warrant, the affiant sworn that on "June 16" 2014 I violated the Criminal Law of the State of South Carolina, but in the Description of Offense it states that this offense happened on the date of "June 18" 2014. Also on the arrest warrant, the race is incorrect and the license number does not belong to me. I strongly believe that someone else may have used my name for which is the only identification the affiant is requesting Extradition. Before I got arrested, I had contact with police, I renewed my license at the NC DMV updating my current address and I was never notified about this arrest warrant. I will like for this matter to be addressed and I will please like a response as soon as possible. I thank you in advance.

Sincerely,
