I pulled those provisos. Ken thought we needed them to cover admin cost but I am using other admin funds.

I'd like a better understanding of why we're asking for the two provisos. I understand the verbiage in the request, but I am unclear why we can't do those things without a proviso. My preference is to not have a proviso, but let's discuss it.

Danny,

Darryl and I review the Fiscal Year 2019 budget request that is due to the Executive Budget Office by September 15, 2017. I have attached the documents for review and determine if we need to arrange a time to discuss them. The Executive Budget Office is in the process of sending me the data for Form E regarding the 3%. I have attached the form without the numerical portion to review the narrative.

The meeting with the Governor's Office staff will occur between October and November 3<sup>rd</sup>. I have not been notified as of today.

If you have any questions and/or concerns, please let me know.

Thanks,

Ken Burton
