**Lisa - we checked with Dreher Island and it looks like all of their intern spots have been filled for the summer. They still have some slots open for the fall if you're interested.**

I'm not sure if you would be able to help me. I'm a student at Midlands Tech and pursuing a degree in Environmental Remediation and Rehabilitation at USC Aiken. I live just outside of Batesburg, SC and was wondering if you knew of any parks around my area that have volunteer opportunities so I can gain some experience in this field. I just moved here 2 years ago so I am still getting familiar with this area and don't know of any places yet. Thanks,  
Lisa
