The Put Down The Guns Now Young People Organization today held an educational event for children at The Mr. Pleasant Community Center in Greenville South Carolina. We educated them not to touch a gun unless asking a parent if it's a toy gun. We also taught to put God first and always ask him for their needs. We also taught them how to obey adults who give them positive advice. We were shocked regarding the number of hands from children naming real gun names and they had touched the gun bedirew. There was 65 to 75 Children at the event. The kids was treated to pizza. Jack Logan [8643031030](tel:8643031030)
