Becca - can you pull our boilerplate Home Rule argument for all 3 bills and help KV. They are one county specific bills.

We need a short, concise letter to be put on their desks tomorrow a.m. Explaining why they are local unconstitutional bills and urge them to vote them down.

I will have them placed on the desks and will have them emailed to the Senate.

If they are local unconstitutional bills, then these (potential) vetoes votes will be recorded on the report card.

These Senators will need some background on the bills also before they will fight for them on the floor.

The following bills passed the House today and will be in Senate tomorrow. They all relate to operation of golf carts in specific counties as a result are unconstitutional. They violate Home

Rule.

5393, 5389, 5390

We should alert Senators from Beaufort, Greenville and Newberry that we will veto if they pass them.
