#### Description/Significant Features:

Single-story residence with a hipped roofline. The doorway is located off-center, within a recessed porch that is located under the main roofline of the house and is supported by turned posts and decorative brackets. The windows along the front elevation include a tripartite, projecting picture window; a single, paired, and triple, one-over-one, double hung, vinyl sash windows; and a three-sided, projecting bay with vinyl windows. The northern two bays of the front elevation appear to be an addition. The roof of the house is covered with standing-seam metal and there is an interior brick chimney visible above the roofline.

Alterations (include date(s), if known):

Installation of vinyl windows and side addition
