Subject: Re: Ethics Reform press event

Katherine:

Thank you for the invitation. As you know I remain committed to meaningful ethics reform and will continue to work toward that end. Unfortunately I cannot travel to Columbia for the press conference, but I am glad Governor is holding one to focus on ethics.

See you soon,

Greg

We are inviting large bi-partisan groups, legislators from the House and Senate, as well as the members of the Governor's Ethics Reform Task Force.
