Is this something we can make happen?

Subject: Fwd: C. Kelly Jackson (Sumter County magistrate appointment)

Attached please find a magistrate application for Hon. C. Kelly Jackson, Esq. My understanding is that Court Administration should be in possession of his requisite test scores at some point today.

The Sumter senatorial delegation would be very grateful if this appointment could be given priority before the time on this year's legislative session expires, as would our Sumter Summary Court and Sumter County Administrator.

Our collective intent is to have former Solicitor Jackson serve in a part time, ten-hour per week role as a Sumter County magistrate judge, and my understanding is that if appointed, his main responsibility would be holding bond court in Sumter County.

Please let me know if there is anything else we can do from our end to expedite this appointment.

Thank you in advance for your kind attention to this matter.

Kindest regards,

Thomas McElveen
