Just truly magical and beautiful!!! We got married at Legare Waring on April 24, 2015 and the day couldn't of gone any better. The guests were blown away with how beautiful Legare was! From the beautiful lagoons with the alligator making a special appearance on the day of our wedding (popped his head out of the water) to the Avenue of the Oaks, and the the gorgeously decorated 1840's home...it can't be matched! Legare Waring was the perfect backdrop to our wedding creating a magical, intimate experience that we will never forget!!! We will be back to visit for years to come!!
