Who would be the appropriate person for him to contact?

Hi Rebecca,

My name is Bill Crockett and I am an account specialist with FSI Office Products. I am also a good friend of Kenny Williamson and he gave me your name as someone who may be able to help me.

FSI Office has been given the intent to award by the State of SC as the new office supply & copy paper vendor for the new state contract. Once the award is confirmed, I wanted to be able to move forward with many of the agencies I am assigned to. Since Kenny was a friend of mine, I asked to handle the Governor's office.

My question is, who decides where the office supplies, office furniture and copy paper is purchased for the governor's office? I just need to know who I would talk to about getting the program set up when the contract is confirmed.

Thank you for your help. I hope you have a wonderful Easter and I look forward to hearing from you.
