Subject: FW: South Carolina Multimodal Transportation Plan - Register for the January Stakeholder Webinars

Good afternoon. As members of the South Carolina Interagency Transportation Coordination Council and valued public transit stakeholders, I thought you might be interested in participating in the Statewide Public Transportation Plan update webinar scheduled for Wednesday, January 8th at 1:30 PM. You can register using the link below.

Best Regards,

Diane

Diane M. Lackey | Statewide Programs Manager, Office of Public Transit | SC Department of Transportation

Statewide Multimodal Transportation Plan

Sign up for the second round of stakeholder webinars – January 7th, 8th and 9th

SCDOT is pleased to invite you to participate in the second of a series of Stakeholder Webinars as part of the SCDOT Statewide Multimodal Transportation Plan development. The webinars are designed to provide updates on the progress of the Multimodal Transportation Plan, as well as Public Transportation, Rail, Interstate, Strategic Corridor, and Freight plans and most importantly receive input and buy-in from our stakeholders.

These webinars will be an interactive session that will provide stakeholder's opportunities to provide comments on the 2040 Baseline Revenue Projections, Multimodal Needs, and Alternative Investment Scenarios, as well as tasks associated with the Public Transportation, Rail, Interstate, Strategic Corridor, and Freight plans.

The webinars will be available on three dates in January, listed below. As shown, modal plans are listed with each date. The information in each of the three sessions will focus on the individual modal plans and are suggested for stakeholders with preference to enable modal-specific question and answer periods following the presentation. All webinars are open to the public, and participants are not limited to one session. **We invite you to choose the modal plan of most interest to you, as a plan stakeholder and register now.**

Statewide Freight and Rail Plans

Tuesday, January 7, 2014

1:30 – 3:30 PM

To register for this webinar, please click on the link below:
