To all concerned;

Please find attached the assignments of bills – each sheet is named for the responsible individual/agency. Those bills that are on the calendar or have crossed over are identified as needing a summary or needing classification. While the summaries are yours to maintain, I need bill classifications and/or a list of bills that need to be discussed no later than close of business Monday. I will have the conference room at 9:30 Tuesday morning to discuss bills.

If you have any questions or concerns, please email or call.

Best,

Josh
