Hi Nikki,

How are you? Happy New Year! Wanted to reach out again and see if we could discuss our upcoming **MARCH/APRIL 2015 issue.**

We'd really love to finally feature you inside the magazine. As you know, the 10x10 feature request is very simple and all done via email. Each issue we feature 10 extraordinary people and ask all of them the same 10 questions.

All we need back are your answers, 1-3 high res images and a bio. I'll write the 150 word intro for you and send it back so you can fact check/approve. If possible, are you able to send me these materials back by **Friday the 16th?**

When you can, let me know any questions or concerns and I look forward to discussing this further. Below are the questions and recent PDF samples for review. Thank you so much and hope you've been well.

We'd be so honored to finally make this happen!!
