Regional Forums to Provide Input and Ideas for 2015 White House Conference on Aging

By Cecilia Muñoz

Assistant to the President and Director of the Domestic Policy Council

Today, I am delighted to announce the launch of a series of regional forums to engage older Americans, their families, caregivers, advocates, community leaders, and experts on aging on the key issues affecting older Americans. These forums are designed to help provide input and ideas for the upcoming 2015 White House Conference on Aging.

Over the past several months, we have been preparing for the 2015 White House Conference on Aging along with the Conference's Executive Director, Nora Super, by establishing a Conference website, and participating in a number of listening sessions and meetings across the country.

This will include regional forums, the first of which will be in [\[READ MORE\]](#)
