Hello, first off let me say how much I admire you ! You are a great role model!

I am a Marine (gysgt james smothers) ..

Return from overseas duty because of a serious injury (lost my arm)..

Now I volunteer at a no- kill rescue center call SARAH FOREVER HOME..

We are trying to raise funds for so many things the center needs to care for the animals, espically since the wildfires did so much harm ..

So we are having a celebrity auction to raise funds.

I was so hoping you could donate a picture or really just anything that help out this small center's auction..

The animals thank- you!!
