Do you have any photos of today's Joint Pension Committee meeting?

Danny, here's what I'm thinking for Lt. Gov. Bryant in terms of the "Senate In A Minute."

I think it's a good opportunity to showcase what the Senate is working on and connect senators and the lieutenant governor with the public and the media.

Let me know what you think when you can. We could shoot these in the Chamber, outside on the Statehouse steps or a variety of places.
